

Public Panel: Climate and Migration in Central America and Mexico: Drought, Vulnerability, Livelihoods and Attribution

Friday, September 13th from 12:30-2pm

ENR2 S230

Panelists will summarize discussions from the September 12-13th Climate and Migration workshop and lay out key research questions for the future. Topics will include interlinkages between workshop themes, research gaps and data needs, and the debate around migration and climate.

Chair – Dr. Diana Liverman (UA)

Discussant – Dr. Liz Oglesby (UA)

Speakers – Dr. Richard Bilsborrow (UNC)

Dr. Jenn Casolo (Nitalapán-UCA Nicaragua; Guatemala)

Dr. Alex Guerra Noriega (ICC, Guatemala)

Dr. Diego Pons (Columbia U)

Dr. Claudia Radel (Utah State)

Light refreshments will be available. Open to the public!
