

FALL 2021 CHARLAS CON CAFÉ

TINKER ROUNDTABLE SESSION 2

With UA graduate students from different disciplines
moderated by **Larissa Xavier de Oliveira**

Friday, Nov. 5, 1-2:30pm (AZ Time)

Join via Zoom: <https://arizona.zoom.us/j/86782034717>

This year, we will be having a series of two Tinker Roundtables to showcase the research (conducted virtually or in the field) of five graduate students who received the Tinker Field Research Grant. This will be the second of two Tinker Roundtables.

Sonia Delphin-Perez

Bahia Negra, Paraguay

Identifying Synergies and Tradeoffs between
Ecosystem Services and development
Natural Resources and the Environment
